

Light intelligent electric vehicle

展望未来 走向世界
Looking to the future To the world

企业简介

泉州市力将机件企业有限公司、成立于2000年。位于海峡西岸经济开发区，地理优势显著的福建省泉州市。是一家专业生产汽车、摩托车刹车片的现代化制造型企业。

企业现占地80余亩，生产场地35000M²。为了以满足用户要求为宗旨，以推广新产品、新技术、赶超世界一流水准为己任。企业建立了一支来自海内外的科技研发团队并与国内外多所相关领域的科技研究院合作开发新产品，连续取得了多项专利和荣誉。

企业不断完善经营管理体制，制定了“以质量创品牌 以诚信赢客户”的经营理念并不断开发新产品新项目。先后在2007年创办了：厦门市力将国业贸易有限公司，主要经营商品进出口贸易。在2015年创办了：福建力将光智能科技有限公司、主要生产研发、光智能电动车、光智能骑行装备及相关光智能的产品。

Quanzhou lijiang enterprise co.,ltd. was established in 2000.The company was located in the economic development zone which is on the west side of the straits, quanzhou, fujian province that has an obvious geographical advantage .It is a professional manufacturer of automobiles, motorcycle brake pads of modern manufacturing enterprise.

Now ,the enterprise has an area of more than 80 acres production site of 35000m².It focuses on meeting the requirements of users and works for the purpose of promoting new products, new technologies. It makes surpassing the world class level as its our responsibility. The company has established a research and development team from home and abroad and has cooperated with many research institutes of related fields from the world, both at home and abroad to develop new products ,which has won many patents and honors continuously.

Enterprises will continue to improve the managemen system, formulating the "quality of the brand, winning customers with good faith .It will constantly develop new products , new projects. The company has successively established Xiamen lgeneral trade co.,ltd. in 2007 which is mainly engaged in import and export trade of goods. It also founded fujian lijiang optical intelligent technology co.,ltd. in 2015. It mainly produces and exploitation light intelligent electric vehicle, light intelligent riding equipment and related light intelligent products.
